

VETERINARY ASSISTANT/TECHNICIAN

Full-time, Part-time

Are you a people person who possesses and believes in willingness, commitment, and readiness to take action? If you enjoy working in an environment where you get to make an impact on people's lives then we want you at San Bruno Pet Hospital.

We are looking for a great veterinary technician who is skilled with animals AND people. Being an Animal Nurse (Vet Tech) isn't for everyone, but if you have the skills built by experience please contact us.

At San Bruno Pet Hospital, it's part of our mission to see to our employees' growth and professional development while partnering with our exceptional clients to help their pets live the longest, healthiest lives possible. We're looking to add a full-time or part-time RVT/Veterinary Assistant to our team who can help us continue the tradition of great veterinary care we've offered at this location since 1947. **See us online: sanbrunopet.com**

We work hard, laugh a lot, have regular team building meetings and are dedicated to the best possible care for our patients and clients. Our salaries are competitive. We offer health insurance, dental & vision insurance, bonuses, 401K, employee discounts, paid vacation, and CE benefits. If you are energetic, outgoing, enjoy educating clients and using your skills with radiology, dentistry, laboratory, patient care, and anesthesiology—then you are the person we are looking for!

You will also be successful in this position if you possess the following attributes:

- Ability to multi-task and handle a strong patient load
- Are collaborative, detail-oriented and compassionate
- Enjoy working in a fun and supportive environment with a team of happy individuals who love their jobs

Experience: 1-year relevant veterinary experience (*Required*) **Education:** High school or equivalent (*Required*)
